

Come Step Up

Fairport Baptist Homes has been caring for area seniors for more than 100 years.

Funds raised will help us continue to help thousands of area seniors through programs like Rehabilitation, Skilled Nursing, Assisted Living and Senior Housing. Contributions help offset the shortfall between government and insurance reimbursements and the actual cost of care.

Your support will make a difference in the lives of seniors in our community every day. For more information about Fairport Baptist Homes, visit www.fairportbaptisthomes.org today!
